

Ranger Services Cat and Dog Trap Hire Agreement

Name:	Date of Birth:
Address:	
Phone:	Mobile:
Hire Date:	Return Date:
Trap No:	Receipt No:

Hire Fees: \$100 Security Deposit or current replacement cost.

Please Note: Security deposit is refundable on return of trap. The security deposit can be refunded via cheque or electronic transfer to your nominated bank account, please supply banking details to customer service staff if you choose this option.

Trapped Animal Handling Charge: \$60 (if applicable)

The following agreement states the following:

1. Any animal trapped by you will be treated in a humane manner;
2. Any animal trapped by you is required to be brought to Council for Impounding or Disposal (If Feral); and
3. You are required to utilise the websites/apps for 'Feral Cat Scan' and/or 'Wild Dog Scan' when undertaking trapping. All sightings and control must be logged into the relevant program.
 - a. Feral Cat Scan - <https://www.feralscan.org.au/feralcatscan/>
 - b. Wild Dog Scan - <https://www.feralscan.org.au/wilddogscan/default.aspx>

These websites are available in app form for mobile devices.

This information enables Council to undertake more efficient control of feral and wild animals in the Central Highlands Region.

The hirer releases the Council from any claim which it might otherwise have against the Council on any account whatsoever by, through or in connection with the supply of the trap by Council or the use of the trap by the hirer, and the hirer indemnifies the Council against any such claims which might be made against the Council by a third party.

The hirer acknowledges that, in setting and otherwise using the trap, and in dealing with any trapped animal, the hirer does not act as agent of the Council or under any authority conferred by the Council.

Without limiting or affecting any other provision of this agreement, the hirer acknowledges that the Council has supplied the trap on the specific basis that the hirer will not use the trap or otherwise deal with any trapped animal in contravention of any provision of any relevant law, and that the owner understands that he or she may be subject to criminal penalties if he or she breaches any provision of a relevant Act.

The hirer also acknowledges that he or she may incur civil liability if he or she injures or destroys an animal which is the property of some other person, and that, as set out above, the hirer alone will bear any such liability (as well as being required to indemnify the Council in respect of any claim made against Council by the owner of such an animal).

I, _____ hereby agree to the terms and conditions of use, as detailed above, of the Council's cat and dog trap hire. Further, I agree to pay all or any costs associated with the replacement or repair of a trap which is damaged or lost while under my care.

Privacy Statement

Council is collecting this information in order to comply with its responsibilities and obligations as a Local Government. The information will only be used by Council Officers or Agencies which may have a legitimate need for the information to process applications or the like. This information will not be disclosed to a third party unless you have given your written consent or we are required to do so by law. For more information about privacy in Central Highlands Regional Council see our Privacy Plan on our website.

What is FeralScan?

Pest animal mapping resource for communities.

Record pest animals in your local area

FeralScan is a free pest animal mapping resource for farmers, community-groups, local government, NRM groups, and the Australian public. It hosts over 30,000 community records of pest species, to help with local control of pest threats.

Website - www.feralscan.org.au

- Free resource for mapping pest animals
- Record sightings, sign, damage and control actions
- Print a pest map for your local area
- Work with your neighbours to target problem hotspots
- Keep local authorities informed about pest problems
- Promote other people to record pest activity

To register your sightings, or receive newsletters and pest warnings, please visit the website feralscan.org.au or contact the FeralScan team: feralscan@feralscan.org.au

New features

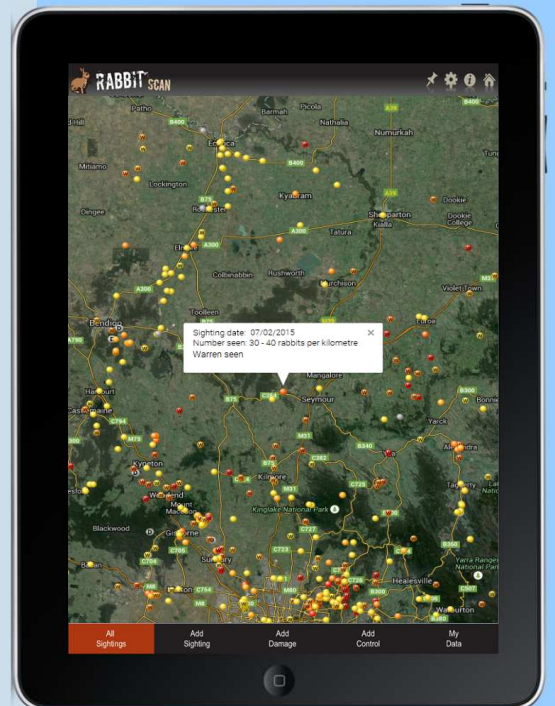

1. Free Smart Phone App (Android/Apple)
2. Community facilities to help members work together
3. Receive alerts and warnings about local pest threats

Download the Mobile App
