

Water Meter Pressure and Flow Test 2018-2019

Address | PO Box 21 | EMERALD QLD 4720
 P 1300 242 686 F 1300 242 687
 W www.centralhighlands.qld.gov.au

Flow and Pressure Test Fee per Test: \$ 287.50

Full Fee is to be paid before testing will be completed.
 Allow 10 working days for results to be sent by preferred method.

The flow and pressure test includes:

- The flow and pressure test will be conducted at Normal mains pressure with the reading taken after the water meter.
- The pressure recorded will be the static pressure.
- The flow rate recorded will be measured in L/min at full flow through the water meter.
- The accuracy of the water meters reading will be verified against a test meter.
- If any part of the water meter, meter tap or associated connections are found to be faulty, these components will be replaced by Council. **Replacement of the water meter may not mean it has been reading incorrectly.**
- Test results will be provided to the Applicants email address. If additional action is required, a Council representative will contact the Applicant through communication methods provided.
- If the meter is found to be reading incorrectly the test fee shall be refunded. The water meter will be replaced and recent rates water charges may be investigated.
