

Summary of Matters – Response to submission against Local Government Infrastructure Plan (LGIP 2)

Section	Issue described	Response	Changes Made/not made
Contents Page – Tables list is missing	Contents Page – Tables list is missing	Insert Tables list	Tables list inserted.
Part 4 4.1 Preliminary (1) This local government infrastructure plan has been prepared in accordance with the requirements of the Sustainable Planning Act 2009	It has been noted under - Sustainable Planning Act 2009	Change to Planning Act 2016	Amended to Planning Act 2016.
Table 4.2.1 Non-Residential development – Retail - Column 3 Uses: Brothel	Brothel was removed from this location and does not appear to have been added in another category.	Replace	Brothel has been replaced.

Section	Issue described	Response	Changes Made/not made
4.5.2 Schedule of Works Editor's note – Extrinsic material	Font is too large for an Editor's note. Remove extra line from bottom of table.	Change font or change heading to Extrinsic material.	The current format of the heading “Editors note – Extrinsic material” is consistent with the adopted version of the LGIP and is similar to how other local governments have presented this section of the LGIP. The associated Table has been provided

4.4 Desired Standards of Service	A number of the Design Standards referenced have been superseded by newer versions.	Reference the most current design standards, legislation and state department names.	Updated design standards and legislation references. Also, added additional design standards as relevant.
4.4 Desired Standards of Service	Acronyms have been utilised that have not been previously spelt out in full.	Spell out all references in full prior to using an acronym.	Acronyms have been spelt in full where appropriate.
Mapping	Persistent error in the legend of maps. Cemetery is spelt as “Cemertry”.	Fix spelling	Mapping will be revised to correct spelling mistake only.
SC3.3 Schedules of Work	A number of the works scheduled have an estimated timing starting from 2016.	Revise estimated timing of schedule of works.	The timing for delivery of projects has not been altered. For the purposes of the amendment, a the LGIP has a financial modelling term of 10 years, from 1 July 2016 to

Section	Issue described	Response	Changes Made/not made
	Given that this amendment will likely be adopted late 2021, should these timeframes be updated?		30 June 2026, which is reflected in the timing of the schedule of works.
Other	The amendment package did not address the changes this amendment will require to the Citation and Commencement and Table of Amendments, if adopted.	Provide a draft of these changes.	Appendix A provides a description of the proposed changes to sections of Part 1 (Citation and Commencement) and Appendix 2 (Table AP2.1).
